

## FORMER LION CHARTER FEE REBATE

Lions leave their clubs for many reasons and often these reasons are temporary. This program provides an opportunity for former Lions who left their club in good standing, or were dropped due to the cancellation of their club, to rejoin as a charter member of a new club without paying an entrance fee.

### To Qualify

- The former member must be reported to the New Clubs and Marketing Department as a charter member between December 1, 2005 and June 30, 2006.
- The club must be chartered between December 1, 2005 and June 30, 2006.
- The former member must have left their club in good standing, or dropped from their former club due to club cancellation.
- The rebate may be applied to up to 25% of the total charter membership.
- To receive the rebate, please complete the form below and submit this form with both the charter fees and its first per capita dues before the club's charter date. When the club is approved, the rebate amount will be credited to the club account.
